

GRAMMY AWARD WINNING PRODUCTION TEAM INKS NEW DEAL FOR TELEVISION

Van Nuys, CA - Mr. Marvin Williams, President/Founder of Big M Entertainment (a visual media company) and Mr. William Junebug Lee, Founder of The Bullets Production Team (a platinum music production company) will start pre-production on a new television series concept.

William Lee and Marvin Williams have been bouncing ideas around for months trying to create the next big thing for television. The two will finally unveil their unique concept and editing techniques to television executives in a few months. The project details are subject to a strict veil of privacy which is not surprising at this stage.

The Bullets Production Team founder William Lee is excited about moving into television and film, his company has consistently shown growth over the past thirteen years by achieving multi-platinum success including one Grammy nomination for (the Flo Rida Roots album) in 2009 and one win for (Love Is A Crime from the movie soundtrack Chicago) in 2004. Collectively the producers and writers have sold over sixty five-million records worldwide, the producers and writers consist of Greg Lawson, Klasic, Antwan, Christopher Spitfiya Lanier, Harold Scrap Fretty, Da' Hookas, Allan, and Baby Slim. some of there credits include: Roll - Flo Rida ft. Sean Kingston, Bonifide Hustler - Young Buck & 50Cent, Hit You Wit No Delay – Timbaland, Smile I'm Leaving – 50Cent, My Love Don't Cost A Thing - Jennifer Lopez, Love Is A Crime – Anastacia, Only God Can Judge Me - Tupac Shakur, Finally Here - Flo Rida, Just Because – Ginuwine, Make It Home - The Barber Shop 2 Soundtrack, Fame - B.O.B and many additional television and film credits .

Big M Entertainment, is currently in development for two other television shows. The company also handles many facets of visual design from 2D and 3D graphic design, website production, social media management, visual post production EFX and Motion Graphic design as well. Mr. Williams has been sub-contracted for motion graphics related projects for music artists signed to Interscope Records, Universal Music Group and Disney Music. Mr. Williams has also completed editing and design for numerous commercials currently running on Comcast and Big M Entertainment has produced projects with affiliate producers from Sony Screen Gems as listed within the company's filmography (located on IMDB as Big M Entertainment [us]). Big M Entertainment currently has two television concepts that were developed in Q4 2009 under option agreements.

Big M Entertainment is headquartered in Van Nuys, CA.
